

## Art Armstrong – A Rotary Tribute

Arthur L. Armstrong, long-time past member of the Rotary Club of Everett, was born in San Francisco, California on February 13, 1928. He moved with his family during his youth to Everett where he graduated from Everett High School and the University of Washington. He served, interestingly enough, in both the Army and the Navy.

After school and his service commitment, he went on to work for Northwestern Mutual Insurance where he met the love of his life, Janet Hossfeld. They were married for over 65 years until Art's passing on June 22, 2022.

Art was a principal in the highly regarded Gilkey-Armstrong Insurance Brokerage in Everett. He was admired by his peers serving as president of the Independent Insurance Agents of Washington State and as their representative in Washington, D.C.

In addition to his activities with the Rotary Club of Everett, Art was a member of Our Savior's Lutheran Church, the Navy League, Elks Club, Bethany of the Northwest, and the Everett Yacht Club.

He was an avid sailor, enjoyed traveling, his bridge club, snow skiing and spending time on Whidbey Island fishing and crabbing with his family and friends.

Art is survived by his wife Janet, their two children, three grandchildren, and four great grandchildren.

Now I would ask that we stand and observe a moment of silence in memory of our departed friend Art Armstrong.

---- Moment of silence

Thank you.
